

Pablo Claro Chardonnay 2024

This Chardonnay from sunny Spain gives you much more than you would expect for this price. Delicious fruit, both white stone fruit and a touch of exotic. Nice body, not too slim nor too fat. And finally, a fine acidity to make it easy to drink. The ideal wine for every day. If you add to that the grapes are grown in a responsible way, the picture is complete. At Dominio de Punctum all grapes are grown organically.

You can drink this wine as it is or in combination with all kinds of fish dishes. It will also not go out of place next to your lighter meat dishes.
