Borovitza Gamza 2022

Gamza is a grape that is mainly grown in the cooler North of Bulgaria. Some call it the Bulgarian Pinot Noir. A comparison that is true in the case of Borovitsa.

Expect fresh red fruit, cherries, raspberry and strawberry. In this case, supplemented with a fine spicy touch. Medium full in the mouth, with silky tannins and fine acidity. Finesse & elegance at its best.

9.92 €

Winery	Borovitza
Country - Region	Bulgaria, Danube Valley
Winestyle	Red: smooth and fruity
Grape Variety	Gamza
Viticulture	Biologic/Organic
Winemaking	Natural
