

JNK Rdece 2016

JNK by Kristina Mervic is one of the most interesting natural wine estates we have been able to discover in recent years. Kristina works biodynamically on a small 3.5Ha vineyard in the North of Vipava, on the border with Goriska Brda. Pure & complex are the most important keywords here.

With this Rdece/Rosso, she once again demonstrates an exceptional tour de force: the combination of elegance, freshness, and power in this wine is phenomenal. The fact that she also allows the wine to undergo years of bottle aging before sharing it with you proves that only the best is good enough.
